## **Scania Engine Oil Approval: Enoc Vulcan Green 10W40**

ENOC International Sales L.L.C. Dubai UAE certifies by a request letter dated 12<sup>th</sup> July 2010, that the oil **Enoc Vulcan Green 10W40**, is identical to the tested oil Infineum IME 0404410-J (report number M08/234).

### **Approval: Scania Low Ash**

This approval is only valid in the assumption that no other formulations with the above brand name exist, i.e. no base oil interchange and no read across is permitted.

This approval is not transferable in any way to third party or other brand names without special permission.

**This approval will expire end of August 2012.**

A renewed approval will be given if ENOC International Sales L.L.C. by letter or e-mail applies for it two (2) months in advance by assuring that the brand on the market is still the same formulation as the approved engine oil. If there is no application for a renewal, the lubricant will be deleted from the Scania oil list. If once deleted, the oil will not be reintroduced due to administrative reasons.

## Scania Engine Oil approval

**Approval level:** Scania Low Ash

**Brand name:** Enoc Vulcan Green 10W40

**End of approval:** 2012-08-31

This approval is limited and will expire according to date, unless a renewal of the approval has been applied for.

The approval will expire before the end of this period if:

- the approved formulation has been changed
- negative field results have appeared
